

**BucciMoto**  
MOTORCYCLES FOR PASSION

**BR19** GP

**Frame**

Steel trellis frame, 3D CAD designed with round and oval high strength tubes, adjustable swingarm pivot. MADE IN ITALY

**Subframe**

High strength. MADE IN ITALY

**Swing arm**

Aluminium extruded 7020, 3D mounted on the roller cage, dedicated to BR10GP. MADE IN ITALY

**Front fork**

UPSD Bucci by MUPO diam. 38mm, length 591mm, pin dual-axis adjustment, 80mm of travel, CNC feed fork for double brake disc. MADE IN ITALY

**Triple clamp**

CNC aluminium, new 2021 design with dedicated offset for BR10GP. MADE IN ITALY

**Rear Shock**

MUPO with CNC body, axle 14mm, piston diam. 35mm, travel 30mm F/T, travel 50mm F/F Variable wheelbase by 270mm +4 - 5mm double adjustment. MADE IN ITALY

**Fuel tank**

New Bucci polyethylene tank with vented CNC filler and fuel cap. MADE IN ITALY

**Carburettor**

PE 28 Keihin Replica (original PE 28 on Daytona Anima engine)

**Air filter**

Sponge air filter DT1

**Ignition**

Electronic ignition, medium weight flywheel

- Transmission** 4 Speed gearbox, reverse gearshift, 420 DID Chain
- Final Transmission** Front sprocket Z16 e rear sprocket in ergal Z35
- Lubrication** Wet sump lubrication, Oil filter inside crankcase
- Oil cooler** Aluminium oil cooler with protection cover
- Clutch** Multidisc, wet clutch
- Starting** Kick starter or with gear inside
- Front brake** Formula twin 180mm disc brake with dual piston, radial callipers, master cylinder with integrated tank and braided hose.  
MADE IN ITALY
- Rear brake** Formula 160mm disk with twin piston and radial calliper, master cylinder with integrated tank and braided hose. MADE IN ITALY
- Front wheel** Lightweight alloy wheel 10x2,50 with aluminium valve
- Rear wheel** Lightweight alloy wheel 10x3,00 with aluminium valve

**BR19<sub>GP</sub>**

**TF MOTO**

***Tyres***

PMT - 100/90-10 front and 120/80-10 rear

***Exhaust system***

LM Exhaust exclusive Bucci in stainless steel with carbon cup and variable section MADE IN ITALY (for Daytona engine exhaust dedicated)

***Handlebar***

Diam.22 with alloy mounts. MADE IN ITALY

***Throttle***

Domino Racing MADE IN ITALY

***Clutch assembly***

Adjustable Domino Racing MADE IN ITALY

***Fairings***

Fiberglass by Cruciata MADE IN ITALY

***Wheelbase***

1080mm

***Seat height***

650mm

***Fuel tank***

3,3 litres

***Engine available***
